

Sealing Profiles U.S. Inc.

As per the Hazard Communication Standard, Trelleborg Sealing Profiles U.S. Inc. does not provide a MSDS for our products. Our products are considered "articles" and exempt from a MSDS.

An "article" under the Hazard Communication Standard is any manufactured item other than a fluid or particle which, 1) is formed to a specific shape or design during manufacture, 2) has end use function(s) dependent in whole or in part upon its shape or design during end use, and 3) which under normal conditions of use does not release more than very small quantities, e.g., minute or trace amounts of a [hazardous chemical](#) and does not pose a [physical hazard](#) or health risk to employees ([29 CFR 1910.1200\(c\)](#)).
