LEADERS IN ECO-EFFICIENT STOREFRONT,
CURTAINWALL AND ENTRANCE SYSTEMS

Date: **June 10, 2014**

Engineering Bulletin: **061402**

Effective Date: **July 7, 2014**

Released By: **T. Trinh**

Subject: P1558 NRP Butt Hinge Replacement

Description: Tubelite will launch the new P094W Heavy Duty NRP (non-removable pin) by Hager on July 7th, 2014. This will replace the current P1558 NPR butt Hinge.

P094W: Will be available in a C2 and DB; 4 1/2" x 4 1/2" x 0.180" Heavy Duty Butt Hinge by Hager; Zero Swage with NRP. This will replace Tubelite's current Butt Hinge P1558NRP.

The P094W will have radius of .156" at the corners vs. current P1558NRP with no radius. Due to the radius, the P094W will require new fabrication. The P094W will fit in the P1558NRP fabrication prep, however, new fabrication for the P094W will not be able to accommodate the P1558NRP. Screws mounting location will remain the same.

The List price will be \$188
