TUBELITE®

DEPENDABLE

LEADERS IN ECO-EFFICIENT STOREFRONT,
CURTAINWALL AND ENTRANCE SYSTEMS

Date: 2/27/2018

Engineering Bulletin: **021803**

Effective Date: 2/27/2018

Released By: **Tom Sawicki**

Subject: **Extended Face cover Modification**

Effective 2/26/2018: E4TB06 and E4TB30 will have a cross brace added to interior of the extrusion profile. This in effect makes the profile a hollow extrusion. This will increase stabilization of the profile. The image below illustrates the updated profile shapes.
