DEPENDABLE

LEADERS IN ECO-EFFICIENT STOREFRONT,
CURTAINWALL AND ENTRANCE SYSTEMS

Date: **6/20/16**

Engineering Bulletin: **061602**

Effective Date: **Immediately**

Released By: **Steve DeYoung**

Subject: **P2371 Electric Strike Compatibility**

Due to compatibility issues, the P2371 Electric Strike for Rim Exit Devices will only be offered for use with standard 1 3/4" thick doors with 3/16" backset in standard 4500 or 14000 series frames.

We do not currently offer an alternate Electric Strike for Rim Exits used in other applications.
