

Wood Grain Finishes by Tubelite

Wood grain finishes for aluminum combines all the benefits of metal with the beauty of natural wood. Tubelite offers decorative, wood grain finishes for its architectural aluminum products in a variety of options, colors and species.

Our wood grain finishes have been subjected to the most demanding testing for durability, ruggedness, chemical and weather resistance. These finishes can be applied to the interior or exterior of Tubelite's storefront, entrance, curtainwall, sun shade and light shelf devices.
