ORDER HISTORY

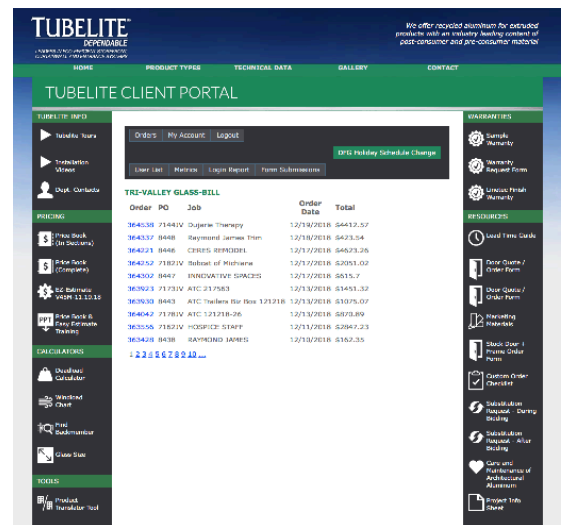

View your [10] most recent orders from Tubelite on the main screen. Click on any of the order numbers and individual line items appear at the bottom of the screen with the order status. Older orders can also be viewed by clicking additional pages.

HOW TO REGISTER

Fast and Easy Registration for those who haven't registered yet.

- A. Login Info: the email address and Password you want to use.
- B. Customer Info: Your Tubelite Bill To account number (4 or 5 digit number) and Zip Code
- C. Contact Info: First Name, Last Name and Phone Number (with dashes)
- D. Then just check the I agree box for Terms & Conditions and click submit.

Note: The Zip Code and Phone Number should match the info on file with Tubelite for your account.
