TUBELITE®

DEPENDABLE

LEADERS IN ECO-EFFICIENT STOREFRONT,
CURTAINWALL AND ENTRANCE SYSTEMS

Date: **5/3/18**

Engineering Bulletin: **051801**

Effective Date: 5/7/18

Released By: **Mary Avery**

Subject: **HW3700 Project-IN Hopper Insert Vents**

Effective Monday 5/7/18, Tubelite will suspend sales of the HW3700 Project-IN Hopper Insert Vents. The product is being reviewed by R&D for enhancements. Projects quoted prior to 5/7/18 will be honored. The Price Book, EZ-Estimate and website information will be updated accordingly.

The 3700 Project-OUT Awning, Casements, and Concealed Vents are still available. We apologize for any inconveniences and will notify you when the enhanced product is available.

Thank you for your valued business and continued support.
