Date: **9/26/16**

Engineering Bulletin: **091603**

Effective Date: 10/31/16

Released By: **Jon O'Neil**

Subject: **New RIM Panic Electric Strike**

Our Current P2371 RIM panic electric strike (Adams Rite 74R2) will be upgraded to the new HES 9400 RIM panic strike effective 10/31/16 as a P2454 for the list price of \$425. This will become our new standard RIM panic electric strike, which offers easier intergration throughout our growing product offering and also better quality of operation in the field. We will continue to offer the P2371 as a loose purchased item.

P2371

P2454
(new effective 10/31/16)
