Subject: **New pressure plate screw S369-OR for Series 400 CW**

Effective December 19, 2014, the S369-OR ¼-20 x ¾" IND HWH type CA 18-8 SS will replace the S362A-OR as the new pressure plate screw for Series 400 CW system. Any order entered on this date will be filled with the S369-OR.

The S369-OR features a type CA point that will more easily penetrate the thermal isolator during installation.

The list price for the S369 will increase from \$18/box of 100 to \$20.
